

THE 2021 ICPAR CPD PLAN & CALENDAR

To continue facilitating its stakeholders mainly members in the lifelong learning journey via the Continuing Professional Development programme, ICPAR adopted a hybrid 2021 calendar to include remote learning via the use of webinars and other online platforms to complement in-person CPD events.

As this appears to be the new normal; the institute has therefore drafted a 2021 calendar to suit the current business environment, whilst con-

tinuing to serve the public interest.

Kindly be reminded that all members must attain at least 20 structured and 20 unstructured CPD hours annually.
